### Hyacinths For Home and Garden

Last year we offered the delightfully fragrant Hyacinths at much reduced prices, this year we are again in a position to reduce the price considerably. Take advantage of the opportunity by planting them freely. The crop of Hyacinths in Holland is excellent this year and you can expect to receive from us such quality of bulbs as you have never seen before.

Hyaeinths may be put to several uses. We suggest:

**EXHIBITION TOP-SIZE BULBS.** For pots and for 12 Hvacinth glasses.....

FIRST SIZE BULBS. For forcing in pans, flats, baskets, etc. For window boxes. For garden planting if very large, compact flowers are desired....

# Tulips Single Early Tulips

These early low growing Tulips are universal favorites and suitable for beds and borders. Due to their early flowering they last several weeks longer than any other type of Tulip. They are perfectly hardy and of the easiest culture in any good garden soil, seldom failing to give great satisfaction. When planted in small groups the bulbs should be planted 4 inches apart and 4 inches deep.

# HYACINTH GLASSES WITH ORDERS

# If you order before Aug. 1

Everyone enjoys growing Hyacinths in glasses. It's fascinating to watch the development of roots into the water below and the sprouting of leaves and bursting of the beautiful flower spike. You can follow it from the very beginning.

### Your Order Need Not Be Confined to Hyacinths Only

Make up your assortments from any items listed here but the net amount must be a multiple of \$5.00, thus:

- 4 Glasses Free with a \$20 Order
- 3 Glasses Free with a \$15 Order
- 2 Glasses Free with a \$10 Order
- 1 Glass Free with a \$5 Order

# Cultural Directions Included in Each Order

Not every Hyacinth bulb is suitable for glass culture, so we have marked in the Hyacinth list the ones best adapted for this purpose. Each variety indicated with "Hg" will produce blooms in glasses. These are called "Exhibition or Mother Bulbs." They are extra heavy, give robust growth and produce strong stems on which to support the large, compact flower spikes.

### POSTAGE PAID

Note that the Hyacinth glass is delivered free of all postage charges along with your order.

### Please Remember

To Receive This Free Premium Your Order Must Reach Us Not Later Than July 31, 1931
